

3 ISLANDS WILD CAMPING

Explore one small island in the southernmost archipelago in Sweden

Welcome to the beautiful Blekinge Archipelago, where you can spend 2 nights and 3 full days camping in a tent. We provide the equipment and boat transport, making it easy for you to camp on your own uninhabited island in Hällaryd's Archipelago. The 3 islands offer varying levels of no service, so contact us for more information before you choose your island for this self-guided adventure.

The boat ride to the island takes about 20 minutes, allowing you to enjoy this unique archipelago designated as a Biosphere Reserve by UNESCO.

- **Day 1:** Departure at 09:00 for an exciting and beautiful journey through the archipelago. We'll drop you off at your island, where you can set up camp. Spend the rest of the day at the beach, sunbathing, swimming, and exploring the small island.
- **Day 2:** Spend the day doing nothing! Or fish, sunbathe, or relax.
- **Day 3:** At 16:00, we'll return with our boat to pick you up for the short ride back to the beach at Svalemåla Stugby.
